

A MESSAGE FROM A. W. HARDY – COVID 19

We are in unprecedented times! Here at A. W. Hardy, our priority remains the safety and welfare of our staff, their families, our clients, partners and the Essex community we have served for over 60 years.

We want to extend our good wishes to all of you as you deal with the challenges and to let you know that we have been doing everything possible to carry on our construction work whilst following all the Government guidance.

We are extremely proud of our dedicated workforce who have done their best to maintain our services in these difficult times. Our thanks go out to them and we support them wholeheartedly. 2020 was set to be a busy year with work continuing on our existing projects such as The Chantry Community Centre in Billericay and the Air Livery Facility at Southend Airport. We have also started important projects such as the Heritage Centre at the Old Shoebury Garrison, Northlands School in Basildon and residential accommodation refurbishment in Woodham Ferrers.

In the light of the latest guidance from the Government, however, in order to ensure the safety of our staff and the public, we have decided to **close our construction sites** with effect from **24th March 2020**. We aim to re-open them as soon as it is safe to do.

Established in 1958, A. W. Hardy has a proud tradition of quality construction that has improved the lives of people in Essex with our projects in schools, health, residential, ecclesiastical and commercial sectors. The company remains on a firm footing and we are confident we can meet the challenges posed by Covid 19 and serve the community for many years to come.

If you require any further information about the work we are doing or our response to the current situation, please contact us on **01702 462721**. Our team is here to help. We aim to keep you updated through our newsletters or our website at www.awhardy.com. We would like to thank all the supplier companies and our clients for their co-operation and we look forward to working with you all again in the future.

In the meantime, please look after yourselves and one another.

Very best regards.

Mark Hayman
Managing Director

Dave Bilcliffe
Contracts Director
